Dear Christi:

Overland Constructors is a highly-valued client for SilverStone Group and Universal Surety Company. We have handled the program for Overland Constructors for several years and they have an excellent track record with us. During this time, we have approved single projects in the upper seven figure range.

Overland Constructors is capable of providing performance and payment bonds subject to satisfactory review of all contract and bond documents. We routinely receive positive references on this account and we highly recommend them to you.

Please feel free to contact me with any questions.

Sincerely,

Doug Irvin  
Vice President
